### Step-by-Step:

1. Score the Pink A4x 15.5cm sheet at: 8.5cm and 12.5cm. Turn over and between those 2 score lines – at 10.5cm, score again. Turn over AND turn around – then score this opposite end at 6cm.
2. Mask top edge/back of folded card flap – then ink up wheel with choc chip ink and stamp along top of flap.
3. Stamp greeting to bottom right of purse.
4. Stamp 2 medallions in choc chip ink – one on pink card, one on cream. Cut out cream medallion and then roughly cut the pink one out – use the circle punch upside down to punch away each notch.
5. Scallop edge the brown strip of card and glue to bottom of flap.
6. Adhere ribbon over brown strip – the join should be centre front of card.
7. Glue pink flower to centre of cream medallion and then punch a fine hole for the gem brad – push the brad through and then add 3D foam to top half of medallion and stick to front of flap.
8. Punch to hole at the back of the purse – 2 cm in from side and 2cm down. Thread brown ribbon through holes and use strong d/sided tape to stick ribbon to inside of card.
9. (Optional – Print a tea message onto cream card – 4 fit onto 1 A4 sheet - and glue to inside of purse to hide ribbon and adhere teabag to right hand side of message. Template is on my website!)
10. Decorate envelope with wheel stamp.
